EISHA JALIL

Highly motivated and skilled Computer Science graduate with a passion for developing innovative software solutions. Proficient in various programming languages including C++ and PHP with experience in developing web applications.

EXPERIENCE

Freelancer/ Shopify Developer (January 2020-Present)

As an expert Shopify developer, I specialize in creating high-performing, user-friendly websites that drive business growth. Skilled in developing and customizing Shopify themes, templates, layouts, store setup, and conversion optimization to meet client requirements. Proficient in payment gateway setups.

Internship / Contrive Solutions (March 2024– June 2024
During my PHP internship journey, I learnt creating dynamic web applications using HTML, CSS and PHP. I debugged code, improved performance, and collaborated with the team to ensure efficient project completion.
