Sehrish Parveen

MERN Stack Developer

As a passionate MERN stack developer, I am seeking a professional opportunity to apply my programming skills and gain practical experience. With a strong foundation in front-end or back-end development and a desire to learn, I am excited to contribute to a dynamic team and create impactful solutions.

EDUCATION

Bachelors in Computer Science
Government College Women University,Faisalabad

10/2017 - 08/2021

Intermediate of Computer Science
Government College,Sheikhupura

09/2015 - 09/2017

WORK EXPERIENCE

MERN Stack Development Bootcamp
Contour Software

04/2023 - 04/2023

Achievements/Tasks

- Developed a full-stack web application using the MERN stack (MongoDB, Express, React, Node.js).
- Implemented user authentication and authorization using JSON Web Tokens (JWT).
- Built RESTful APIs to interact with the backend database using Express and Node.js.
- Utilized React to create dynamic and responsive user interfaces.
- Designed and optimized database schema to maintain data integrity and performance.
- Worked collaboratively with other developers using version control tools such as Git and GitHub.

Front-end Development internee
StepUp IT Solutions

06/2021 - 08/2021

Achievements/Tasks

- Successfully completed all assigned tasks within the given deadlines.
- Demonstrated proficiency in HTML, CSS and related technologies.
- Developed user-friendly web pages and interfaces.
- Worked collaboratively with team members and communicated effectively.
- Participated in code reviews and provided constructive feedback.

SKILLS

Bootstrap/JavaScript   HTML/CSS

Git/GitHub   React JS/Node js

MongoDB/SQL

PERSONAL PROJECTS

Instagram Clone (05/2023 - 05/2023)
- I developed an Instagram clone using the MERN stack.
- Acquired various technical skills and experience.
- Gained knowledge in MERN stack technologies (MongoDB, Express, React, and Node.js)
- Developed knowledge of database design and implementation.
- Became familiar with version control tools such as Git /jira.

Student Era (05/2023 - Present)
- Responsible for **Student Era** front-end development.
- Cooperated with team members.
- Improved performance through feature implementation.
- I assisted in identifying and resolving various issues that were impacting the smooth operation of the organization.

ORGANIZATIONS

Pakistan International Development Forum (11/2021 - Present)

Obedullah Welfare Organization (08/2020 - 09/2021)
Worked as Volunteer

CERTIFICATES

MERN Stack Development (04/2023 - 05/2023)

Web Development (06/2021 - 08/2021)
